

لیست مقالات منتشر شده در سال ۲۰۲۴

ردیف	عنوان مقاله	نویسنده/مسئول	نمایه مقاله	عنوان ژورنال	date
۱	Heat stress, thermal comfort and control strategy in a warm-humid workplace	دکتر جلالی	ISI, Scopus, PubMed,	International Journal of Biometeorology	Dec. 2024
۲	The Effect of Exposure to Noise and Vibration and Ergonomic Factors on Sleep Quality and Musculoskeletal Disorders in Bus Drivers in Iran	دکتر جلالی دکتر رحیمی مقدم	Scopus, DOAJ	International Journal of Environmental Health Engineering	Dec. 2024
۳	Prevalence, incidence and associated factors of musculoskeletal disorders before and during the Covid-19 pandemic in faculty members: a comparative cross-sectional study	دکتر جلالی دکتر رحیمی مقدم	ISI, Scopus, PubMed, Embase, DOAJ	BMC Musculoskeletal Disorders	Sep. 2024
۴	Investigating computer vision syndrome and associated factors before and during the COVID-19 pandemic: A comparative cross-sectional study in faculty members	دکتر جلالی	ISI, Scopus, PubMed	Work	Dec. 2024
۵	Manganese exposure and sleep quality in iron and steel industry workers	دکتر رحیمی مقدم	ISI, Scopus, PubMed, Embase,	Toxicology and Industrial Health	Nov. 2024
۶	Association of depression and anxiety with health-related quality of life in beginning Medical Sciences Student	دکتر غلامی	ISI, Scopus, PubMed, DOAJ	scientific reports	Oct. 2024
۷	The Effect of Oral Selenium Supplementation on C-Reactive Protein (CRP) Serum Levels in Pregnant Women: A Systematic Review and Meta-analysis on Clinical Trials	دکتر غلامی	DOAJ	Journal of Neyshabur University of Medical Sciences	2024
۸	Geographical analysis of fluoride and nitrate and its probabilistic health risk assessment utilizing Monte Carlo simulation and GIS in potable water in rural areas of Mathura region, Uttar Pradesh, northern India	دکتر محمدی	ISI, Scopus, PubMed, DOAJ	Heliyon	Sep. 2024

لیست مقالات منتشر شده در سال ۲۰۲۴

Dec. 2024	Heliyon	ISI, Scopus, PubMed, DOAJ	دکتر محمدی	Application of Monte Carlo simulation and artificial neural network model to probabilistic health risk assessment in fluoride-endemic areas	۹
Oct. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Modeling and Optimization of the Osmotic Dehydration of Cantaloupe	۱۰
Oct. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	A Simple Overview in Magnetic Resonance Imaging Application in Evaluation of Food Quantity and Quality Aspects	۱۱
Oct. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Application of Artificial Neural Networks for Predicting Cooking Dynamics in Industrial Sesame Seed Oil Extraction	۱۲
Sep. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Comparison of Sigmoid Logarithm and Hyperbolic Tangent Functions in Modeling the Oxidation Parameters of Soybean Oil Containing Extract of Black Plum Peels Natural Antioxidant	۱۳
July. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Effect of Optimizing the Black Plum Peel Extract as Natural Antioxidant and Storage Time on Oxidative Stability of Sunflower Oil	۱۴
May. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Bread Staling Measurement Techniques: A Review	۱۵
Sep. 2024	Journal of Food Chemistry & Nanotechnology	Scopus	دکتر محمدی مقدم	Review of Some Thermal Methods in Drying and Roasting Processes	۱۶
2024	Journal of Neyshabur University of Medical Sciences	DOAJ	دکتر رستم آبادی	An Integrated Approach for Risk Ranking Using Failure Mode and Effect Analysis based on a Fuzzy-Multicriteria Decision-Making Model	۱۷
